NCPDP Member:

Today I am excited to share with you several important updates. First is a “Save the Date” for August 3-5, 2020. Since we cannot meet face-to-face for our August work group meetings, we are researching options for hosting virtual interim work group meetings during this time period. Please hold these days on your calendar and stay tuned for more information.

As you know, last Wednesday, May 6th, marked the transition to our 2020-2021 leadership for our Board of Trustees and Work Group Co-Chairs. Here are the highlights.

Please Welcome Our 2020-2021 Board of Trustees & Committee Chairs, Vice Chair

The 2020-2021 Board of Trustees was announced on April 3rd. Three members are joining the Board: Pooja Babbar from Point-of-Care Partners; Morgan Bojorquez from Humana; and Darren Townzen from Walmart. Board of Trustees members who continue to serve in 2020-2021 are Michele Davidson; Mark Gingrich; Perry Lewis; Christian Tadros; and Greg Watanabe. Trustee Greg Kaupp resigned his Board position for personal reasons and the Board approved Laurie Littlecreek to fill the remainder of his term, which ends in 2022. Special thanks to Greg Kaupp and outgoing Board members, Bill Barre from Achieve Health Management and Alan Gardner from RxResults, for their service.

Perry Lewis agreed to serve another term as Chair of the Board, providing leadership continuity as we begin to implement our new 3-year strategic plan. Perry led the Board in development of the 3-year plan, which was approved at the May 6 meeting. Our 2020-2021 Vice Chair is Darren Townzen, who had previously served NCPDP as a Board member and as Board Chair. Together and with our entire Board, Perry and Darren will bring seasoned leadership and stewardship to NCPDP in a year marked by much change, uncertainty and importantly – opportunity for us to continue to make healthcare better and safer.

The Board also approved the following Committee Chairs and Vice Chairs at the May 6 meeting:
